### Impacting Families in St. Louis

USI is leading the effort of connecting individuals to resources, partners, and opportunities in creating a pathway towards a STABLE and THRIVING life for all children and families in our homebase city, St. Louis.

*The average household earned income is \$33,036*

#### Propelling Educational Success:

USI works with local partners to increase children's participation in high-quality early learning programs and youth enrichment activities. Currently, 168 or 69% of youth participate in out of school activities and 74 or 95% of youth have been screened for developmental delays.

*93% of assessed adults have health insurance*

#### Improving Health & Wellness:

USI assists residents in gaining health insurance and receiving consistent wellness or care appointments with their primary care provider for their families. Currently, 525 or 93% of assessed adults have health insurance.

*69% of youth participate in out of school activities*

#### Moving Families to Economic Self-Sufficiency:

USI is assisting all households with able-bodied working-aged (16+) youth and adults to grow economically through full time or part time employment, enrollment into a job train program, and/or empowerment of entrepreneurship within the community. Currently, the annual average earned income for families is \$33,036.

*643 families are enrolled in Family Support*

## Family Support Services:

USI supports families through our Family Support Services, a version of case management that focuses on five key pillars to STABLE and THRIVING: economic mobility, education, health, housing, and policy and resident engagement. The Family Support Services are offered before, during, and after site redevelopment. There are currently 1150 individuals and 643 households that are actively engaged in intensive Family Support Services with USI.

## All Families are Stable and Thriving

## Who is USI?

In order to create successful and thriving neighborhoods that include equitable pathways to social and economic mobility for families, USI plans and coordinates a thoughtful network of supports that operate concurrently with community revitalization efforts during the Planning, Redevelopment, and Sustainable life cycles of each community. To ensure the coordination of

these supports, USI provides a seamless family supportive services system to offer residents a single point of entry to a full continuum of resources, services, and programs. In support of Human Capital Communities, USI coordinates with property management staff for the delivery of on-site programs and services.
